Portfolio

## Education

---

### Rajasthan Technical University Kota

BTech in Information Technology (CGPA: 9.57)

2022 - 2025

Kota, Rajasthan, India

### Govt. Polytechnic College Jodhpur

Diploma in Computer Science and Engineering (with 72%. )

2020 - 2022

Jodhpur, Rajasthan, India

## Experience

---

### Full Stack Developer

08/2024 – 10/2024

Dooper Health Technology Pvt. Ltd.

- Implemented mobile number authentication and database integration using Firebase.
- Integrated Firebase Authentication to enable secure login and signup via mobile number (OTP-based).
- Connected MongoDB Database to store and manage user data efficiently.

### Web Development

07/2023 – 08/2023

CodeClause.

- Focuses on building the visual interface and user experience using technologies like HTML, CSS, and JavaScript.
- Ensures websites and web applications adapt seamlessly to different screen sizes and devices.

## Projects

---

### Video Conferencing Platform

using ReactJS and ZegoCloud

- A web-based video conferencing platform built using ReactJS and ZegoCloud SDK.
- Enabling seamless real-time audio, video calls, and screen sharing with an intuitive user interface.

### Notes Making Application

using MERN-Stack

- A MERN stack notes-making application that allows users to create, edit, delete, and manage notes efficiently.
- Built with ReactJS for the frontend, Node.js and Express.js for the backend, and MongoDB as the database.

### Passwordless Authentication

using MERN Stack

- Implemented passwordless login using phone number verification with MERN stack for seamless user authentication.
- Enabled users to authenticate effortlessly using their phone numbers without passwords using otpless SDK.

## Skills

---

**Programming Languages/Web Technologies:** JavaScript, C/C++, HTML, CSS

**Framework/Libraries:** ExpressJs, ReactJs, NodeJs, Bootstrap Tailwind CSS

**Database:** MongoDB, MySQL

**CS Fundamentals:** Operating System, DBMS, Computer Networking, Object Oriented Programming

**Tools/Technologies:** Git/GitHub, VS Code, Google Cloud, Firebase, Postman, Figma

## Achievements

---

Selected as a open source contributor in Girlsript Summer of Code 2024

Selected as a Campus Ambassador at Zuno by foundit for the year 2023-24

## Leadership

---

### Executive Team Member

GFG Student Chapter RTU, Rajasthan Technical University Kota

- Managed design related work of Coding Club.
